

NZKGI Regional Representative: 2024 Nominee Information

THIS FACTSHEET GIVES AN OVERVIEW OF THE ROLE OF NZKGI FORUM MEMBERS.

WHAT IS THE NZKGI FORUM?

The NZKGI Forum comprises of 26 elected forum members. Of these, 17 are regional representatives, eight are supply entity representatives and one is a representative of the Maori Growers Forum.

An eligible regional representative candidate must be a person who is either a:

- ‘Member’, defined a Grower who pays a levy or Membership fee to NZKGI; or
- A person nominated pursuant to Rule 7.2 (b) of the 2022 NZKGI Rules (available on the NZKGI website).

The purpose of the NZKGI Forum is to:

- Represent and inform growers on kiwifruit issues.
- Make recommendations to different industry bodies.
- Make decisions for the industry on behalf of growers.
- Work in smaller groups on detailed topics.

As a representative you are encouraged to source information from industry experts in order to become informed on industry matters. You then need to use this information to make informed and representative decisions for your constituency. You are representing all Growers in your region and therefore are required to be proactive with your communication.

WHY BECOME A NZKGI FORUM MEMBER?

Kiwifruit is New Zealand’s largest horticulture export with fruit & service payments of of \$2.2 billion in 2022/23 and is expected to jump to \$4.5 billion by 2025. As a Forum member you will be making important decisions which impact upon this booming industry.

Representing your region is a position of responsibility. Forum Members are exposed to privileged information which will enhance the in-depth knowledge of the kiwifruit industry.

A survey of NZKGI Forum members found that the most important aspect of forum meetings is the opportunity for members to provide feedback on proposed changes to the industry. This was closely followed by the ability to learn information on changes that affect growers. Other aspects forum members enjoy about forum meetings is the open discussion, networking and providing feedback to make a positive contribution to the kiwifruit industry.

HERE ARE SOME PERSONAL STATEMENTS FROM FORUM MEMBERS ABOUT WHY THEY ARE NZKGI REPRESENTATIVES:

“My objective of becoming a Forum Member was to ‘make a difference’, ensure the Grower voice is represented and understood”.

“We debate and discuss issues at Forum meetings, engaging with industry experts in order to understand what is best for our industry, always from a Grower perspective”.

“Being involved on the Maturity and Taste committees has enhanced my knowledge further to better understand what our market expectations are and ensure that Growers can meet these expectations and that any changes are achievable”.

“Forum meetings include great presentations from Zespri’s staff who are located all over the world”.

“At Forum meetings we are with like-minded Growers that get involved in healthy debates on current industry matters. To be a part of these discussions gives us ownership of our outcomes”.

“I now have a more in-depth understanding of our industry which has provided me with the confidence and qualifications for governance roles within the industry”.

NZKGI REGIONAL REPRESENTATIVE ELECTIONS

Approximately every three years voting is conducted amongst growers to elect regional forum members. The candidates nominated to be regional forum members must be from the respective region they will represent. They must also be nominated and seconded from growers from that region. Nominees can only seek election to one position (i.e. not the Supply Entity or Maori Grower Forum representative positions).

There is one regional representative for each region except Katikati, Tauranga and Te Puke. The regions and the rationale for the division of the regional forum representation is based on the 2022 rules as follows:

Region	% Total Crop	No. of Regional Forum Members
Northland	4	1
Auckland	4	1
Waikato	4	1
Coromandel & Waihi	2	1
Katikati	13	2
Tauranga	15	2
Te Puke	37	4
Whakatane	5	1
Opotiki	7	1
Poverty Bay	2	1
Hawkes Bay	2	1
Lower North Island*	1	(combined with Hawkes Bay)
South Island	4	1

**This region includes Taranaki, Wanganui, Horowhenua, Manawatu, Wairarapa and Wellington and shall be combined with Hawkes Bay for the purpose of electing a regional forum member*

The term of the regional representative is approximately three years and members are entitled to offer themselves for re-election.

KEY DATES

- **17 May - 19 June:** Call for nominations.
- **19 July - 21 August:** Growers vote on nominees.
- **23 August:** Election results announced.
- **17 September:** Elected representatives attend Forum meeting.

NZKGI FORUM MEETINGS

Forum meetings are usually held in Mount Maunganui approximately eight times per year and growers are expected to attend as many as possible (at least three consecutively). Forum members may claim meeting fees and travel costs for attending NZKGI meetings.

FORUM MEMBER PATHWAYS WITHIN NZKGI

NZKGI Forum members will have the opportunity to further their contribution to the industry by representing NZKGI through appointments to the NZKGI Executive Committee and industry groups including the Industry Advisory Council, Industry Supply Group, the Kiwifruit to Australia Product Group, plus Hail and other sub-committees.

FURTHER INFORMATION

The NZKGI Rules has detailed information on the organisation and management of NZKGI as well as rules and responsibilities for regional forum members. The document 'Rules of New Zealand Kiwifruit Growers Incorporated' available on the NZKGI website under the Organisation Portfolio.

NZKGI has also published a booklet *Forum Members Guide* which contains information on forum members responsibilities including:

Guideline on interaction with growers

- Having a reasonable level of interaction with growers to bring their perspectives to forum and forum perspectives to growers.

Forum members' role in a crisis

- To support the Communications manager through the gathering of intelligence and distribution of communication.

Work with portfolios

- To discuss and communicate on core areas of NZKGI's work.

Communication with external stakeholders:

- To speak to industry stakeholders on kiwifruit issues under guidance from NZKGI Exec and staff.

For a copy of this booklet, please contact the NZKGI Communications Manager via info@nzkgi.org.nz

For specific queries on the role of a NZKGI regional representative or the election process, contact the NZKGI office on 0800 232 505 or info@nzkgi.org.nz

NZKGI encourages all Growers who are passionate about their industry and are highly motivated to represent Growers in their region to stand for election.
